

# AIRPORT POLYMER REVERSIBLE PLOW

Available in 16 to 26 foot sizes. The **Viking-Cives** Airport Plow with it's wide span drive frame, 360° caster wheels, and polymer moldboard is as at home on ramps and taxi ways as it is on runways.

51" high moldboard with integral high speed deflector accomodates wet and light snow with minimal spill-over and blow back.

 **Viking-Cives  
Group**
